This certificate certifies that the length of the above race has been established by an accredited World Athletics – AIMS Grade A or B measurer employing the method of a single calibrated wheel. It remains valid for 3 years subject to the course defined in the full measurement report submitted by the measurer being unchanged in any way. Any modifications to the course, however minimal, will nullify this Certificate and require a new measurement to be undertaken. Possession of this certificate does not indicate any sanction of the race by World Athletics or membership of AIMS.

The Page to turn to.

At Page Hire, we're proud to be local—supporting those who support you. In a fast-paced world dominated by big companies, we offer genuine service with a personal touch. Whether you need a log splitter for the weekend or a 14-tonne excavator for a year, we have over 200 modern, reliable machines ready to tackle Tasmania's toughest conditions.

Our extensive fleet includes excavators, telehandlers, access and compaction equipment, generators, trailers, bobcats, and a wide range of small plant and attachments. All smaller equipment comes with a dedicated trailer, while larger plant is transported by our in-house tilt tray or delivered directly to your site anywhere in Tasmania.

We offer free onsite inspections and obligation-free quotes to ensure you get the right equipment for the job.

Call us today and experience the local difference with Page Hire!
